Eligibility Requirements

Thousands of Ohio employers find value and workers' compensation premium savings by actively participating in their local safety councils...you can join them!

To **qualify** for the BWC Safety Council rebate, you must meet the following eligibility requirements:

- Join your local safety council by July 31 of the current program year.
- Attend 10 meetings or events, at least 8 through the local safety council. Employers can earn a maximum of two external training credits.
- CEO (highest ranking authority) has to attend at least one safety council hosted meeting or special event.
- For further information: www.BWC.ohio.gov

Attend meetings without being a member for \$15 per meeting.

(not eligible for rebates)

Safety Council Rebate

Eligible employers actively participating in the local safety council program July 1, 2015 to June 30, 2016 will receive a rebate of 2% on their annual premium.

Eligible employers who reduce their frequency rate and severity rate by at least 10% or maintain their rate may receive an additional 2% rebate on their annual premium.
